

JOIN US for the most glittering evening in the fine food calendar as we discover the foods that struck GOLD in the GREAT TASTE AWARDS 2011

Don't miss the **Great Taste Awards Presentation Dinner**
Monday September 5 – Royal Garden Hotel, Kensington, London

Join us in the company of leading chefs, food writers, top retailers and the very best food producers for fine food's biggest night of the year.

Two golden opportunities in a single evening.

Firstly, after walking the red carpet into the Palace Suite, be part of the pre-dinner reception, enjoy an early evening drink as you taste 3-star Gold award winning products from the **2011 Great Taste Awards** and meet the people who made them.

Next, join us for a sumptuous four course meal specially created by **Royal Garden Hotel** chef, **Steve Munkley** using Great Taste Award-winning foods and matched with wines specially selected by the Guild of Fine Food to complement the stunning gold-standard ingredients.

In between courses, the story of this year's Awards will unfold as BBC Radio 2's **Nigel Barden** along with Guild director, **Bob Farrand** announce the top winners including, for the first time, the winner of the **Delicatessen of the Year**.

Tension will mount as you watch the judging unfold on the big screen, until the moment when members of the supreme jury make their final choice for **Great Taste Awards Supreme Champion 2011**.

The choice is yours. Join us just for the early evening reception or make a cracking night of it in the company of the great and the good of fine food.
